EFC Task Force Update

The East Falls Church Planning Study Task Force was appointed by the Arlington County Board in 2007 to generate a vision for transit-oriented development in the East Falls Church area. In order to help guide continuing discussions, the Task Force has adopted the following vision statement: "Our vision is for East Falls Church to return to a 'Transit Town' that will abound in locally serving uses and advance sustainability concepts in our corner of Arlington County. A balance and mixture of uses, such as neighborhood-oriented retail, businesses and restaurants, will be within easy reach of people. New buildings will be of compatible densities and heights so as to complement and fit in with our best existing structures. East Falls Church will be a distinctive stop along the Metrorail system, combining human scale development with a warm and inviting pedestrian-oriented, walkable streetscape. There will be a central public space used for street fairs and other gatherings featuring some symbol or artwork for community identity. The area will be the focus for the intermodal transfers that connect roadways, transit (both bus and rail), foot traffic and bicycle users, and discourage single occupancy vehicle transportation. Affordable housing opportunities will allow for economic diversity. We envision a locally and regionally well-connected, 'green', safe, and accessible community which will grow organically." More information is available at AEFCCA.org. The Task Force will again meet at Fire Station #6 (6950 Little Falls Road) at 7:00pm Wednesday, September 24, 2008. All are welcome!

AEFCCA Retirements

After many years of exemplary service, Barbara and John DePauw, Timothy Reese, and Andy Black have announced their retirement from the AEFCCA Board. They leave with our sincerest thanks for their countless contributions to our neighborhood as past Presidents, Area reps, Civic Federation Reps and Neighborhood Conservation Reps. We are also very grateful to departing Area Reps Robert Harford and Linda Dove. We wish them all the best!
